## Marion Community Unit School District

### Parent and Student Handbook

#### Purpose

The purpose of the AfterCats Program is to provide quality after school care for children in kindergarten through fifth grade.

#### Vision Statement

To provide a safe environment where children are actively learning and growing while participating in enriching activities.

#### Goal

The goal of the AfterCats Program is to provide a place where students can go after school and enjoy activities in a safe atmosphere.

#### Operational Hours

The AfterCats Program will be open Monday through Friday 3:00-5:30 p.m., during regular school days. When school is in session for a half day (11:30 a.m. dismissal), this program will be open from the time of dismissal until 5:30 p.m. No after school care will be provided when school is not in session due to a holiday, snow day, emergency dismissal day or during school vacation. When school is dismissed early for snow days or emergencies, you are responsible for arranging prompt transportation home from school for your child.

##### ❖ **Half-Days**

**On days when school is in session for a half day with 11:30 a.m. dismissal, AfterCats may offer a special session, including a lunch, from offsite. Additional costs may be charged for special half day programs. These costs will be outlined in an additional permission slip, which will be sent home prior to the half day. Any additional fees for lunch and program activities must be paid by the due date specified by your site coordinator prior to the half day for a child to participate. Late or incomplete half day registrations may be refused.**

#### Admissions and Discharge

Students enrolled in grades K through 5<sup>th</sup> grade will be eligible for the program. A non-refundable registration fee of \$10.00 per child is required. This fee is due when the enrollment papers are returned to the site coordinator. **Every student must be enrolled prior to his/her first day of attendance in the program.**

A student may be discharged from the program if:

- Severe or continuous disruptive behavior occurs
- Child is picked up late more than two times
- Parent/Guardian is habitually late with payment
- Lack of payment

The removal of a child may be requested by the site coordinator or building principal during a parent conference and/or in writing.

### Fees and Payment Plan

Fees are due weekly for the preceding week. You will be billed for each hour your child attends the program at a rate of \$5.00 per hour. You will receive an email from your site coordinator with your child's total due. You are responsible for ensuring that your child's site coordinator has a **current and correct** email address on file for billing purposes. Please check your spam folder if you are not receiving weekly billing emails. You should promptly pay the total due, either by credit/debit card through your parent portal on Infinite Campus, or by cash or check at your child's AfterCats site.

**Checks should be made payable to CUSD #2 AfterCats**

Fees will be charged on an hourly basis. There are no partial rates, for example, if the child is picked up at 4:30 p.m., the charge is \$10.00. There is a \$10.00 non-refundable registration fee per student. This ensures that your child has a place in the AfterCats program.

On days when school is in session for a half day with 11:30 a.m. dismissal, AfterCats may offer a special session, including a lunch, from offsite. Additional costs may be charged for special half day programs. These costs will be outlined in an additional permission slip, which will be sent home prior to the half day. Any additional fees for lunch and program activities must be paid by the due date specified by your site coordinator prior to the half day for a child to participate. Late or incomplete half day registrations may be refused by your site coordinator.

If you overpaid or paid in advance, credit will be applied to the following week. Fees can also be paid monthly or bi-monthly, as long as the balance due does not exceed a total of \$50.00 per child. Returned checks must be redeemed with cash. Cash will be required for all future payments if a second check is returned.

Late child pick-up, (after 5:30 p.m.) on any given day, shall result in a \$5.00 fee for each 15-minute interval after 5:30 p.m. until pick-up is made.

### Arrival and Departure

- ☐ Arrival-Each child attending the AfterCats Program should go directly to the designated area, which is different for each school. Any child that has an after school activity should check in immediately when his/her activity is finished. Upon arrival, the site coordinator will have a check-in system.
- ☐ Absences-If your child is absent from school, please remind the school office to notify the AfterCats staff. When a child is in attendance during the regular school day and has been scheduled to attend AfterCats, but will not be attending, please notify the school office and a message will be given to the AfterCats staff.
- ☐ Unscheduled attendance-On occasion, emergencies will arise and childcare will be needed on a day not previously scheduled. If this situation occurs, parents are asked to call the school so that a message may be left for the site coordinator to expect the child.
- ☐ Departure-The person that picks up the child will need to sign him or her out. If someone other than a parent or legal guardian is scheduled to pick up a student, the site coordinator must have his/her name and the phone number on record. Photo identification may be requested. This is a procedure to help insure the safety of the students enrolled in the AfterCats Program.

### Snack

A small snack and drink will be provided for students each day. On the days school has early dismissal, lunch arrangements will be made. Additional information will be provided closer to the early dismissal.

### Student Discipline

Students are expected to conduct themselves in a manner that promotes respect for each other, teachers, staff members, and the program facilities.

The following rules apply to the AfterCats Program:

- Follow directions of the site coordinator
- Use quiet talking while in the building
- Use recreational games and equipment appropriately
- Be courteous
- Keep hands, feet, and objects to oneself
- Use appropriate language
- Stay in assigned areas

All students are expected to follow basic school rules. Additional consequences may be assigned by school administrators.

The AfterCats Program Site Coordinator reserves the right to take necessary and appropriate action to ensure that all participants are treated fairly and justly. If a student chooses to break the rules, the following reinforcements are options for the site coordinator to use:

- Verbal warning
- Positive verbal reinforcement to correct the misbehavior
- Redirection of activities
- Loss of privileges
- Time-out away from other students and activities
- Note sent to parents
- Parent/student conference that may include site coordinator and/or building principal
- Removal of the student from the AfterCats Program

The above order may be used in normal circumstances, or the site coordinator may select to by-pass steps as the situation warrants.
