Friend Watch—Anti-Bullying Information System

Friend Watch is an online messaging system that allows students/parents/guardians to send anonymous messages to school administrators and counselors and inform them of possible bullying incidents involving students both in and out of the school setting. Look for this owl graphic on the Washington Elementary School webpage and click on the owl to open the message form. Any information provided will be sent directly to Mr. Colboth and Mrs. Patton (our school social worker). This form does not allow two-way communication (the school cannot send a reply back to you).
