

HOW SWEET IT IS WINTER MINI CAMP - Feb. 15-16

Snowflakes not included!

Children ages 7-12 are guaranteed a sweet time, while their parents get time for themselves Valentine's weekend. Campers will learn about trees, maple syrup production, winter birds, animal tracks and more! Games, crafts, a campfire, participatory music and more will make this overnight at Touch of Nature truly a great camping experience.

Guest speaker, Rockcat Jaros from the Girl Scouts of Southern Illinois, will be presenting on all things snakes, teaching us why they are pretty sweet, too!

Pricing

- \$70 for overnight
- \$60 for past eco campers
- \$60 for additional siblings
- \$40 for 1 day campers only
