FREE SCREENINGS for the 2020-2021 School Year!

All families with children ages birth to five are encouraged to attend, regardless of income.

Children will participate in a “game-like” activity to measure their development and growth, hearing, vision, and speech. Professionals from area early childhood programs will be available to provide information and answer questions. All results are confidential.

APPOINTMENTS ARE REQUIRED. Please call 618-993-2138 to schedule or cancel an appointment, or to request additional information. If a family is unable to attend their local screening, they may schedule an appointment at another location.

PARENT(S)/GUARDIAN(S) MUST ATTEND WITH THEIR CHILD. They should also bring a copy of their child’s Certified Birth Certificate, current Physical, Immunizations, proof of income and residency. A list of required documents will be mailed to you after your appointment is scheduled.
