

PROJECT NEXT GENERATION

MAKERSPACE CLUB

Marion Carnegie Library's Makerspace Club will train teens to use high tech equipment.

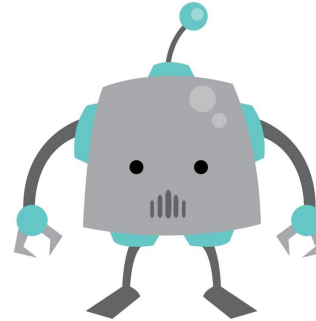

Enjoy exploring photography, 3D printing, sound mixing and more. Monthly meetings start in November.

For Teens ages 12 to 18. To apply for the Makerspace Club visit the Young Adult Department.

Project Next Generation is funded through the Secretary of State and State Librarian Jesse White and Illinois State Library through the Library Services and Technology Act, made possible by the Institute of Museum and Library Services.
