

CATCH the moment

A weekend is worth a thousand words, unless it leaves you speechless. Cub Scouts lets you adventure together, spend time as a family, and see your kid hold the biggest bass they've ever caught - even if it's the only bass they've ever caught.

More Info for Parents

Who can be a Cub Scout?

Cub Scouts is for girls and boys in grades K-5. Join at any grade. No prior experience is necessary.

What will Cub Scouts do?

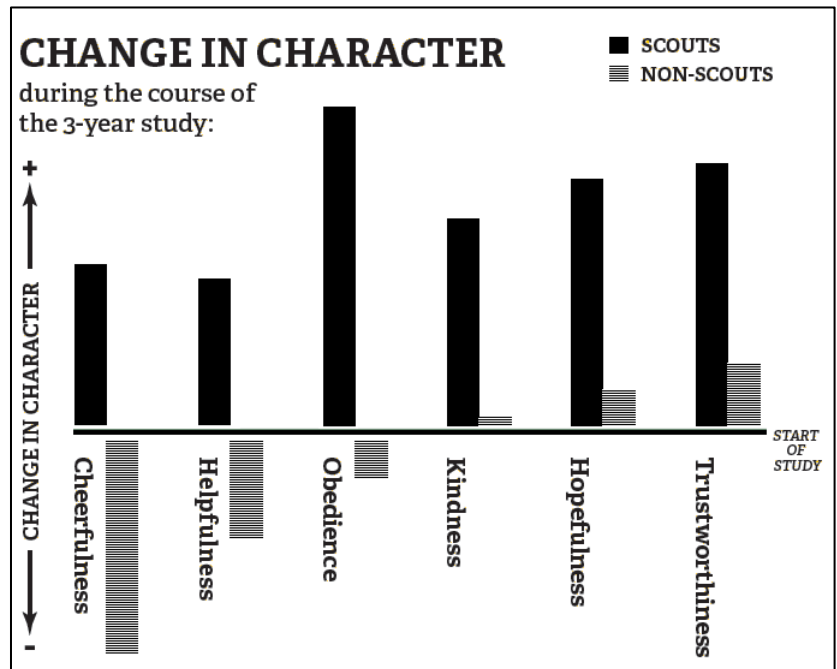

With their family and friends, Scouts complete age-specific activities that are rewarding, teach character and leadership skills and are FUN! These occur in meetings, on field trips and at home. Activities can include camping, fishing, hiking, swimming, STEM projects, archery, building and racing Pinewood Derby cars and more!

When will Cub Scouts meet?

Meeting days and times vary from Pack to Pack. Some meet once a week, others twice a month. Families can work together to choose a meeting schedule that is most convenient for the group.

Why choose Cub Scouts for my child?

- **Convenience** – Families today are busier than ever, and with less free time! In Cub Scouts, all siblings (grades K-5) can participate in the same Pack program.
- **Scouting Builds Positive Character** – Tufts University worked with Scouting over 3 years to measure character attributes of both Scouts and non-Scouts. In the beginning, there were no significant differences in character attributes. By the end, the differences were striking in several areas.

Where and how do I enroll my child?

Attend the enrollment event on this flyer to learn more about your local Cub Scout Pack. If that Pack is not a great fit for your family, then contact us and we can help find alternatives if available.
