South Seven Conference

Mr. Ohnesorge, MHS Principal, presented the rationale for voting not to accept Granite City HS as a conference member at the upcoming South 7 conference meeting. The three main reasons presented were the 'distance', which would negatively impact student instructional time; size of Granite City High School, which currently has an enrollment of 1,800 students and expected to increase, and potentially complicate football scheduling. The Board did not dispute the recommendation for the upcoming vote.
