Chromebook repair for all elementary schools. On-site repair and/or ship out to TRA.

Maintenance Report

Buildings

Lincoln School: Construction Phase 2 is well underway in B and C hallways. The ceilings, lighting and HVAC units are being removed and the new HVAC system is being installed. The exterior of the building has been pressure washed in anticipation of installing new windows and replacing the brick where the old HVAC units were removed.

Jefferson/Pre-K: The lighting, ceilings and wall coverings are being removed from the Pre-K side of Jefferson. The boiler has been removed and piping and ductwork is getting prepped and ready for the new heating and cooling system.

Jr. High: All lockers from the West Gym locker rooms have been removed and the area is getting ready for new paint, lighting, flooring, lockers and restroom fixtures. Floor protection has been added to the wood floor to protect it from construction. The masonry contractor is tuck-pointing and replacing any bad bricks they find. The contractors are waterproofing the exterior of the West Gym as they prepare the walls for the new finish on the upper portion of the gym; it is called (EIFS) Exterior Insulation Finishing System. This will be waterproof and keeps us from having to replace bricks. Lighting, ceilings and wall heaters have been removed from the upstairs classrooms, hallways and Media Center areas. The ductwork that is to remain in place has been cleaned and insulated. New ceilings and lighting are being installed along with the new HVAC system. The East Gym floor is in the process of getting sanded and refinished.

Custodial - Building custodians are busy deep cleaning all facilities, trying to stay one step ahead of the contractors along with keeping up with sporting events and summer school.

Warehouse

Warehouse crew is trying to keep all our grounds mowed and manicured, they help with unloading any trucks that come in and deliver any supplies to schools as needed.

Maintenance

Maintenance crew is working on summer requests, work orders, preventive maintenance items and any emergency that may come about.

Superintendent's Report

Dr. Oates updated the Board on the on-going summer projects at Jefferson, Lincoln and the Junior High. He shared with the Board twenty new promethean boards have been purchased and are being distributed throughout the District. He made mention of the numerous camps and activities taking place across the District using the amazing facilities at MHS.

Assistant Superintendent Report

Mrs. Moss stated summer school will conclude this week and has been a success. She reported promethean boards are being assigned to classrooms across the District and the K-5 Math Committee has met and anticipates making a selection for new curriculum this fall. She informed the Board she has been working with the Regional Office of Education on planning professional development workshops for the 2022-2023 school year.

Michele Tate was named Southern Illinois Coaches Association 2021-2022 SICA 2A Girls Track Coach of the Year.

Special Recognition – Marion High School

Hello!

I wanted to take a moment to say congratulations to each of you for being part of something that I think needs recognition and demonstrates excellence! At the MHS commencement ceremony, something really hit me. While watching one of our graduates from our STRIVE program struggling a bit to get his diploma put into the jacket cover, I saw one kind gesture from a high school student (one of the Plant twins) that was truly heartwarming. He placed his hand on this student's back and gave him a comforting pat and a little assistance, showing the student he belonged and demonstrating a sense of camaraderie. Additionally, every single student with an IEP who graduated from MHS participated in the ceremony. EVERY SINGLE STUDENT, whether he/she be a student from the structure program, from the Learning Center, from the building-based program, or the many students from the STRIVE programs as well participated in that ceremony successfully. Additionally, several of our students with IEPs received college scholarships for a grand total of \$76,844. They received a variety of scholarships ranging from the Brewer Scholarship, to a towing company scholarship, to an athletic scholarship, an SIUE scholarship, a Dean's scholarship, and a health foundation scholarship, to name a few. While I celebrated the many students with unbelievable talents and academic distinction, I was so proud to be a part of a school and district that SHOWS that ALL students in Marion are honored, included, and valuable members of the school community. That is BIG! I'm not sure that many schools could say they are distinguished in this way. Thanks so much and pat yourselves on the back! It is a great day to be a WILDCAT!

Melissa Cockburn
Williamson County Education Services Coordinator

Treasurer's Report

The District is 91.67% of the way through the fiscal year as of May 31, 2022. The Education Fund expenditures are at 85.17% and Operations and Maintenance Fund expenditures are at 46.33%. Expenditures for all district funds are at 75.74%.

Closed Session

Motion #5 It was moved by John Barwick and seconded by Bryce Wesley to enter into closed session for the purpose of Personnel, the purpose of the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity, and Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public finds that an action is probable or imminent, in which case the basis for the finding must be recorded and entered into the minutes of the closed meeting. Motion carried.

Adjournment

Motion #6 It was moved by John Barwick and seconded by Steve Cook to adjourn the meeting at 6:50 p.m. Motion carried.
