Example of Educational Excellence

Mrs. Watts, Assistant Superintendent, introduced Longfellow K-2 teachers and students, who presented their involvement in Read Across America Week and their celebrations of Dr. Seuss. Kindergarten teachers, Mrs. Childers and Mrs. Haseker, and their students (Allison Corzine, Devin Holder, Zoey Mausey, Thomas Moss, Beau Powell, Cason Brown, Jossiebella Herrea, Bailee MacNeille, Ryker Masterson and Emma McCuan) discussed the life lessons learned and how to make green eggs and ham based on Dr. Seuss's books. First Grade teachers, Mrs. Brave and Miss. Kadela, and their students (Orrin Elston, Paycen Absher, Owen Peebles and Sophie McCuan) shared how they include a social studies unit during the week to find out who Dr. Seuss was. Second Grade Teachers, Mrs. Hill and Mrs. Sullivan, along with their students (Austin Wilson, Isla Griffith, Camden Mitchell, James Herrera Garcia, Karis Moss and Cannon MacNeille) explained to the board how they incorporate a social studies unit over the book "Oh, the Places You'll Go."

Maintenance Report

Maintenance Report (con't)

Washington Elementary School: A new HVAC control system was just installed a few weeks ago. With this upgrade the maintenance department will be able to better regulate the temperatures in the building. This upgrade will also help with energy consumption allowing a cost savings for the district over time. The Maintenance and Custodial departments continuously work on building preventative maintenance, work orders and general housekeeping items.

Lincoln Elementary School: Nothing new. The Maintenance and Custodial departments continuously work on building preventative maintenance, work orders and general housekeeping items.

High School: The high school is scheduled to receive a new upgrade on the HVAC control system. With this upgrade the maintenance department will be able to better regulate the temperatures in the building. This upgrade will also help with energy consumption allowing a cost savings for the district over time. This upgrade once started should be completed by the middle of May. The Maintenance and Custodial departments continuously work on building preventative maintenance, work orders and general housekeeping items.

Jr. High: Nothing new. The Maintenance and Custodial departments continuously work on building preventative maintenance, work orders and general housekeeping items.

Jefferson Elementary School: Nothing new. The Maintenance and Custodial departments continuously work on building preventative maintenance, work orders and general housekeeping items.

Adams: A new HVAC control system was installed in the last few weeks. With this upgrade the maintenance department will be able to better regulate the temperatures in the building. District Teacher Recognition

From Aime Chelin:

A huge shout-out to our first group of teachers who officially completed their LETRS course of study with their final training on March 25, 2025! In addition to participating in 48 hours of training and implementing new instructional practices in their classroom, these teachers have committed over 80 hours outside their school day during the past two years to participate in this professional development. Thank you to our district for providing this professional development and to all our administrators for working through sub issues to allow them to attend our unit training. Although their training is complete, I feel the impact it will have on students is just beginning. We are excited to continue to implement our new learning. I am so very proud of this group and their commitment to their students!

" Informed teachers are our best assurance against reading failure. While programs are very helpful tools, programs don't teach; teachers do." - LETRS

Treasurer's Report

The district is 66.7% of the way through the fiscal year as of March 31, 2025. The Education Fund expenditures are at 69.83% and Operations and Maintenance Fund expenditures are at 72.22%. Expenditures for all district funds are at 67.50%.
