AfterCats Parent and Student Information Booklet

Purpose

The purpose of the AfterCats Program is to provide quality after-school care for children in kindergarten through eighth grade at the child's home school.

Vision Statement

To provide a safe environment where children are actively learning and growing while participating in enriching activities.

Goal

The goal of the AfterCats Program is to provide a place where students can go after school and enjoy activities in a safe atmosphere.

Operational Hours

The AfterCats Program is open Monday through Friday 3:00 p.m.- 5:30 p.m during regular school days. After school care will not be provided when school is not in session and during Virtual/Remote Learning days.

Admission

Students enrolled in grades K through 8 are eligible for the program. A non-refundable registration fee of \$10.00 per child is required. The fee is due when enrollment papers are returned to the site coordinator. **Every student must be enrolled prior to his/her first day of attendance in the program.**

Discharge

A student may be discharged from the program for any of the following reasons:

- Severe or continuous disruptive behavior occurs
- Late student pick up exceeding two times
- Payment is habitually late
- Lack of payment

The removal of a child may be requested by the site coordinator or building principal during a parent conference and/or in writing.

Fees and Payment Plan

Fees are due on Fridays or the last day your child attends the program each week at a rate of \$4.00 per hour. . No partial rates are available. For example, if the child is picked up at 3:00 p.m., the charge is \$12.00. The program has a \$10.00 non-refundable registration fee per student. This ensures that your child has a place in the AfterCats Program. If you have overpaid or have paid in advance, a credit will be applied to the following week. Fees can also be paid monthly or bi-monthly. Returned checks must be redeemed with cash. Cash will be required for all future payments if a second check is returned.

Online payment is available. An email will be required to use this service. The AfterCats Coordinator will communicate when the service becomes available.

Arrival and Departure

- **Arrival** - Each child attending the AfterCats Program should go directly to the designated area. Any child that has an after-school activity should check in immediately when his/her activity is finished. Upon arrival, the site coordinator will have a check-in system.
- **Absences** – If your child is absent from school, please remind the school office to notify the AfterCats staff. When a child is in attendance during the regular school day and has been scheduled to attend AfterCats, but will not be attending, please notify the school office and a message will be given to the AfterCats staff.
- **Unscheduled attendance** - On occasion, emergencies will arise and childcare will be needed on a day not previously scheduled. If this situation occurs, parents are asked to call the school so that a message may be left for the site coordinator to expect the child.
- **Departure** – The person that picks up the child will need to sign him or her out. If someone other than a parent or legal guardian is scheduled to pick up a student, the site coordinator must have his/her name, and phone number on record. Photo identification may be requested. This is a procedure to help ensure the safety of the students enrolled in the AfterCats Program.

Snack

A healthy snack and drink will be provided for students each day. On the days school has early dismissal lunch arrangements will be made. Additional information will be provided closer to the early dismissal day.

Student Discipline

Students are expected to conduct themselves in a manner that promotes respect for each other, teachers, staff members, and the program facilities. The following rules apply to the AfterCats Program:

- Follow directions of the site coordinator
- Use quiet talking while in the building
- Use recreational games and equipment appropriately
- Be courteous
- Keep hands, feet, and objects to oneself
- Use appropriate language
- Stay in assigned areas

All students are expected to follow basic school rules. Additional consequences may be assigned by school administrators.

The AfterCats Program Site Coordinator reserves the right to take necessary and appropriate action to ensure that all participants are treated fairly and justly. If a student chooses to break the rules, the following reinforcements are options for the site coordinator to use:

- Verbal warning
- Positive verbal reinforcement to correct the misbehavior
- Redirection of activities
- Loss of privileges
- Time-out away from other students and activities
- Note sent to parents
- Parent/student conference that may include the site coordinator and/or the building principal
- Removal of the student from the AfterCats Program

The above order may be used in normal circumstances, or the site coordinator may select to bypass steps as the situation warrants.
