## **Please have all documentation turned in by the first day of school**

For the **2021-2022** school year any child entering the 12th grade shall show proof of having received two doses of meningococcal conjugate vaccine prior to entering the 12th grade. The first dose shall have been received on or after the 11th birthday, and the second dose shall have been received on or after the 16th birthday, at least eight weeks after the first dose. If the first dose is administered when the child is 16 years of age or older, only one dose is required. Please speak with your child's healthcare provider over the summer regarding your child's vaccination needs. Marion Unit 2 Schools must have documentation of when the vaccine was administered in order for your child to be in compliance with state of Illinois requirements.
