

Using Your Dental Benefits is Pain Free

Learn how to use your benefits to the fullest and reduce your out-of-pocket expenses.

Visit any dental provider. You are free to visit any provider, regardless if they are in- or out-of-network. Plus, your family members do not have to see the same dentist.

Save with a network provider. Dentists in the Ameritas Dental Network have agreed to charge you **25-50% less than their regular rates**. Many of them also offer discounted fees on non-covered dental services as allowed by state law.

Know your cost. Located in your secure member account, the **Dental Cost Estimator** lets you compare estimated procedure charges based on ZIP Code. You can search estimates for both in-network and out-of-network providers.

Ask your dentist to submit a **pretreatment estimate** for any dental work you consider expensive. Then Ameritas will let you know the amount insurance will cover so you can budget for the remainder. The pretreatment estimate is based on your plan benefits and submitted claims.

Find out if your dentist is in the network. Visit ameritas.com, Find a Provider, to find a new dentist or see if your current provider is in the Ameritas Dental Network.

Nominate your dentist. If your dentist is not in the network already, just go to ameritas.com, search for “nominate a provider” and complete the online form.

Exceptional network. The Ameritas Dental Network is **one of the largest in the nation**. Plus, now you can visit dental providers in Mexico through AmexUS. Plan discounted fees and agreements will be honored by AmexUS Mexico providers, and claims will be processed by Ameritas.
