Dear Marion Unit #2 Family,

Marion CUSD #2 is excited to announce that we are offering summer school to kindergarten through high school students with the intent to address learning gaps as a result of the COVID-19 pandemic. Summer school sites will offer all students a free breakfast and lunch. Targeted student transportation will also be available.

Principals/School Counselors have reached out to eligible students' families. If you have not been contacted via phone or letter and believe your child may be eligible, please contact your child's school office. Currently, elementary summer school is full, however, you are welcome to contact your child's office to request to be put on a waiting list. Also, you may view your child's grades using the InformationNOW parent portal. Parents/Guardians that do not currently have an account may visit our district's homepage (www.marionunit2.org) to apply.
